

Xindao B.V. Verrijn Stuartlaan 1d, 2288 EK Rijswijk, the Netherlands

## **Declaration of Conformity**

This declaration of conformity is issued under the sole responsibility of:

Importer: Xindao B.V. Verrijn Stuartlaan 1d, 2288 EK Rijswijk, the Netherlands

 Item number:
 P329.19X.....

 Item description:
 ANC wireless headphone.....

Item picture:

## Confirmation:

We hereby declare that the item mentioned above complies with the following legal requirements

The Radio Equipment Directive 2014/53/EU Restriction of the use of certain hazardous substances RoHS Directive 2011/65/EU and amendment (EU) 2015/863

And in accordance with the following standards:

| BS EN 301 489 - 1           | Electromagnetic compatibility and Radio spectrum     |
|-----------------------------|--|
| V 2.2.3                     | Matters (ERM);                                       |
|                             | ElectroMagnetic Compatibility (EMC) standard for     |
|                             | radio equipment and                                  |
|                             | services; Part 1: Common technical requirements      |
| BS EN 301 489-17            | Electromagnetic compatibility and Radio spectrum     |
| V 3.2.2                     | Matters (ERM);                                       |
|                             | ElectroMagnetic Compatibility (EMC) standard for     |
|                             | radio equipment and                                  |
|                             | services; Part 17: specific conditions for boardband |
|                             | data transmission systems                            |
| BS EN 62479:2010            | Assessment of the compliance of low power            |
|                             | electronic and electrical                            |
|                             | equipment with the basic restrictions related to     |
|                             | human exposure to                                    |
|                             | electromagnetic fields (10 MHz to 300 GHz)           |
| BS EN 300 328               | Electromagnetic compatibility and Radio spectrum     |
| V2.1.1                      | Matters (ERM);Wideband                               |
|                             | transmission systems; Data transmission equipment    |
|                             | operating in the 2,4 GHz                             |
|                             | ISM band and using wide band modulation              |
|                             | techniques   |
|                             | - Lowest: 2402MHz Middle: 2440MHz Highest:           |
|                             | 2480MHz  |
| BS EN 62368-1:2014+A11+2017 | Audio/video, information and communication           |
|                             | technology equipment – part:                         |
|                             | Safety requirement                                   |
